SECTION C : STRUCTURED QUESTIONS (80 MARKS). Answer ALL questions.
Answers for this section should be written on the answer booklet provided.

QUESTION 1

- (a) Each of the following situations involves a possible violation of the MIA's By-Laws. For each situation, state whether it is a violation and provide explanation for each. **(12 Marks)**
- (i) Julia Alyssa is an audit senior at Tim & Co., an audit company located at Petaling Jaya. She has 5 years' experience working in the audit firm. Recently, she told her audit partner that she owns 2,000 units of shares in an audit client of the firm though she is not involved in the audit of the client. The value of the share is immaterial in relation to her total wealth.
 - (ii) Reza & Co. is an accounting firm that provides both assurance service and non-assurance services for their client. One of the non-audit client request assistance from Aiman, an auditor, in the installation of their new accounting system which is called Vztec system. Aiman has no experience pertaining to the work. He does not have the knowledge to use Vztec system and does not know about the client's business operation. Therefore, he obtained assistance from a computer consultant that he hired. The consultant is not in the practice of public accounting, but Aiman is confident of his professional skills. Due to the highly technical nature of the work, Aiman is not able to review the consultant work.
 - (iii) Chua & Co. is negotiating the audit fee with a new audit client, Glasslock Berhad. Both parties agree that the client will pay RM 40,000 if Chua & Co issues a clean, unqualified opinion, RM 20,000 if a qualified opinion is issued and only RM 10,000 if an adverse opinion is issued.
 - (iv) Linda, an auditor of Lily & Co, advertises in one of the famous business magazine that her firm does the audit of more than 60% of manufacturing companies in Malaysia. In the advertisement, it is stated that the fees charged for the assurance services is lower than any other firm in the country.

(Note: Use the table format as presented below to write your answers)

No	Violation of MIA By-Laws? (Yes/No)	Explanation
(i)		
(ii)		
(iii)		
(iv)		

Continued...

- (b) “When a professional accountant identifies threats to compliance with the fundamental principles and, based on an evaluation of those threats, determines that they are not at an acceptable level, the professional accountant shall determine whether appropriate safeguards are available.”

Required:

- (i) Define safeguards. (2 Marks)
- (ii) State the **TWO (2)** categories of safeguard as stated in MIA By-Laws. (4 Marks)

[TOTAL 20 MARKS]

QUESTION 3

- (a) Jaya Metal Berhad is a manufacturing company which has been trading for more than 10 years. The following are procedures related to the purchasing process in the company.

Employees in any department can request to purchase goods or materials they note as out of stock. The employee can complete a purchase requisition form and the form will be submitted to the purchase ordering department. Each of the purchase requisition form is not pre-numbered.

Every day, the clerk in the purchasing department processes of all purchase requisitions from the prior day. Any request for raw materials from the same supplier is combined into a single purchase order form to obtain volume discount. Purchasing agent uses the Internet to compare prices in order to select suppliers. If the internet search discovers a potential new supplier, the purchasing agent will add the supplier's name onto the approved supplier list.

The purchasing clerk will complete the sequentially pre-numbered purchase order form based on the information from purchase requisition form. Mr. Tan, the purchasing department manager will approve purchase order form with the amount more than RM 10,000. Once the purchase order form is complete, the original form is sent to the supplier and copies to the requestor department and account payable department.

Continued...

All good received from the supplier will be handled by a purchasing clerk. When the goods are received in the warehouse, the purchasing clerk will verify the quantity to the supplier's delivery order form. The purchasing clerk will fill up the details of good received in sequentially pre-numbered receiving report and send a copy of the report to account payable department.

Upon receiving a purchase order, the account payable clerk files it in the open purchase order file. When a supplier's invoice is received, it is match with the applicable purchase order form, and a payable is created in the purchase ledger. Subsequently, a payment voucher will be prepared as well for payment process. The payment voucher will be reviewed and approved by the finance manager and submitted to the cashier.

Required:

As the external auditor of Jaya Metal Berhad, identify and explain any **FIVE (5)** weaknesses and its risk in the purchasing process. You need to suggest **ONE (1)** internal control for each.

(Note: Use the table format as presented below to write your answer)

No	Weaknesses	Risk	Internal Control
1.			
2.			
3.			
4.			
5.			

(15 Marks)

(b)

Audit objective:

To determine whether the internal controls over loans payable are adequate.

Required:

- (i) Define loan payable. (1 Mark)
- (ii) State any **TWO (2)** example of internal control procedures related to loan payable. (4 Marks)
